DIC Corporation

DIC Group to participate in Chinaplas 2017, the 31st International Exhibition on Plastics and Rubber Industries

Tokyo, Japan—DIC Corporation announced today that wholly owned subsidiary DIC (Guangzhou) Co., Ltd., in Chinaplas 2017, the 31st International Exhibition on Plastics and Rubber Industries, which will be held in Guangzhou. The exhibition, which in 2016 welcomed 3,000-plus exhibiting companies and more than 140,000 visitors, has been held annually for more than three decades and is Asia's top plastics and rubber trade fair.

The DIC booth at Chinaplas 2017 will showcase *DIC.PPS* engineering plastics, which boast outstanding heat resistance and are used in automotive, electrical and electronics components, among others.
