

Thermal Conductivity Double-coated Adhesive Tape

TCF-150NR

Construction

Characteristic

- Good thermal conductivity.
- High electrical insulation.
- Flame retardant.
- Good workability and easily-removable

Application

- For attaching the heat sink of the electronic equipment.

Property

	Unit	TCF-150NR
Tape thickness	mm	0.150
Peel Strength at 180 angles (after 23°C × 24h) /SUS(hairline Surface)	N / 20mm	14
Holding Power 85°C 5mm × 30mm, Aluminum, 100g	hrs.	24 Over
Thermal Conductivity	W / m·k	0.6
Volume resistivity	Ω·cm	10 ¹² Over

Standard Size

1000 mm in max width.
